

Dear Parents,

Today we went to the computer lab and went to our class webpage. On our class page there you can find links to educational websites, information about special class projects, upcoming events, information about AR (Accelerated Reader), our class spelling words, access to tons of educational resources, pictures from our class, and more!

To access our class page go to: www.missploutz.weebly.com/
Don't forget to mark our class page under your favorites for easy access!
